Re: *United States v. Sean Caddle*, Crim. No. 22-46 (JMV)

Dear Judge Vazquez:

Members of the media have requested the parties' sentencing submissions (ECF 29-31, 33-36, and 38-39), and the Court has ordered counsel to file their response on or before June 26, 2023 (ECF 32). In accordance with the Court's protocol for the disclosure of sentencing materials, the Government and counsel for the defendant have conferred regarding what non-public information should be redacted from the parties' sentencing submissions. The parties have agreed on the redactions to the Government's sentencing submission, and the Government intends to transmit the redacted version to those individuals who requested them. The parties are working to finalize an agreement on redactions to the Defendant's sentencing submission and hope to come to an agreement in short order. The Government also will transmit a copy of the redacted sentencing submissions to the Court.

Respectfully submitted,

PHILIP R. SELLINGER
United States Attorney
